## Education

**University of California San Diego, La Jolla, CA**
**Bachelor of Science in Mathematics-Computer Science**                  **Sep 2022-June 2026**
**Minor in Data Science**
- GPA: 3.6

## Certifications

**ISC$^2$ - Certified in CyberSecurity**
**CompTIA - A+**
**CompTIA - Network+ (in progress)**

## Work Experience

**UTO Taekwondo, Cypress, CA**                                        **April 2018-September 2022**
**Junior Assistant Instructor**
- Led and instructed sections of students ranging from White Belt to First Degree Black Belt on basic/advanced forms, technique, and sparring in groups of up to 30.
- Conducted sections of belt testings including demonstrations, board breaking, kicking drills, and belt awarding, and oversaw the belt promotions of over 150 students and 12 Black Belt candidates.
- Improved student's technique of forms and kicks through one on one instruction, utilizing multiple methods of teaching to adapt to many student's unique ways of learning.

## Projects

**Data Science Report**
- Worked collaboratively in a group to determine whether personal/mental health factors or academic factors have a bigger impact on a student's grades.
- Utilized data visualization libraries such as Matplotlib and Seaborn to create informative and easy to understand graphs.
- Employed Pandas and Numpy to effectively clean and wrangle data for analysis.
- Drew conclusions and further explored the relationship between variables and observations using Patsy, SciPy, and StatsModels.

**Eagle Scout Project**
- Planned, led, and executed my Eagle Scout Project of creating equipment holders for high school softball teams.
- Drafted and refined the blueprints of bat holders and helmet cubbies to be made from scratch.
- Instructed over fifty scouts totaling 150 man-hours on the assembly, painting, and successful installation of project components.
